NORTHERN
Windows • Siding
Roofing • Insulation

Limited Lifetime Warranty

National Fiber warrantees, when properly installed, the performance and durability of its Cel-Pak all-borate cellulose insulation for the life of the structure. This warranty applies to the original purchaser of its Cel-Pak cellulose insulation and to any part of a building in which it was originally installed in. National Fiber warrants that its Cel-Pak will, at the initial date of purchase, meet the requirements of the Amended CPSC Standard (16CFR Part 1209) ASTM C739 universal building code including Title 24, Part 3280 for Manufactured Housing.

This warranty gives you the specific legal rights, and you may also have other rights, which vary from state to state.

For further information, please contact Bill Hulstrunk, Technical Manager at (413) 668-6133 or by email at bill@nationalfiber.com .
